

The **FPP location map** has been migrated to **theLIST**, after FPA's move from Stategrowth to NRE.

Searching for an FPP or Parcel ID (PID) will no longer work from the Search bar at the top of the page.
(Address searches still work).

To search for a specific FPP (or PID):

<p>Expand Layers button in top Right Hand corner or webpage</p>	
<p>Expand arrow to left of FPA Forest Practices Plan Locations</p>	
<p>Select Filter or Search Layer</p>	
<p>1. Select Advanced Query</p> <p>2. In Search Text box, type FPP_NUMBER = 'ABC9999' Where ABC9999 is the <i>FPP number</i> ENCLOSE in SINGLE QUOTES</p> <p>3. Select search <i>The map will zoom to the selected FPP</i></p>
